NOTE FOR [redacted] STAT

SUBJECT: Distribution of [redacted] Paper STAT

1. Enclosed are nine copies of [redacted] unclassified STAT paper, written while he was a participant in the DCI's "Exceptional Intelligence Analyst Program." We believe ICS is the appropriate body to distribute copies to requestors from the Hill because the scholars program is run by ICS. Copies should be delivered to the following requestors:

1) Peter Lennon, Sen. Levin's staff
2) Dick Giza, HPSCI
3) Mike Mattingly, SSCI
4) Doug Mitchell, House Government Operations (225-5074)
5) Betty Spina, House Armed Services (225-4256)
6) Sen. Charles Grassley, Attn: Chris Kolesnik
7) Senate Armed Services, Attn: David Lyles
Judy Freedman

2. [redacted] is now back in the DI as an analyst in SOVA. STAT He is not to be made available for briefings on the paper, which should clearly not be viewed as a CIA product. Copies are not available to the press, and [redacted] has flatly denied any STAT requests. Please call me or [redacted] if you have any questions. We do not have any additional copies to distribute, so Hill staffers will have to share those available.
